Question:

On the bid response second page, In line number 4 is it supposed to read 9 existing wells instead of the (11 wells, 1 field and 1 trip blank).

Response/Answer:

Items 4, 5, and 6 of the table for the bid response should be corrected as follows:

- 4) 1st round of samples from existing wells for PVOC + Naph (9 wells, 1 field and 1 trip blank)
- 5) 1st round of samples from new wells for VOC (2 wells)
- 6) 2nd round of samples from wells for PVOC + Naph (11 wells, 1 field and 1 trip blank)

The table in the revised bid document has been corrected to reflect the change
